Harbour Masters and Water Bailiffs are both appointed by the Governor by Instruments under his hand and seal. Where no act of the Legislature has prescribed the name and duties of the officer it has been usual to appoint to the office of "Harbour Master" under the powers delegated to the Governor by his Commission but in such cases doubts and difficulties have arisen as to the Officers title to fees or other remuneration.

At the Harbours 1 Kingston, 2 Montego Bay. 3 Martha Brae (or Falmouth) 4 Morant Bay - Port Morant - and Marchionel - 5 Annotto Bay - 6 Port Maria, Oracabessa and Rio Nova Bay - and 7 Black River (or Gravesend) local acts authorize the appointment of Water Bailiffs but at those of Lucea and Green Island and 2 Old Harbour Salt River and Clarendon Bay other Local Acts provide for the appointment of Harbour Masters *

* In some of the clauses of the 44 Geo. 3. c. 20 the officer at Port Maria is called Water Bailiff in others Harbour Master

The Receiver General is directed by law to receive the fees and to pay on the Governor's warrant to the Water Bailiff of Kingston Black River and Martha Brae such Salaries as the Governor should fix, not exceeding the amounts of collections under the acts regulating the several Ports. The Water Bailiff at Martha Brae is likewise entitled to receive from the parochial funds a salary of £84.

At the Harbours of 1. Lucea and Green Island and 2 Old Harbour, Salt River and Clarendon Bay the fees are receivable by the Receiver General but for the use of the Harbour Masters who are also each entitled to a salary of twenty four pounds and an allowance to a Deputy of £12 (or in the latter case if the practice be correct to three such Salaries and allowances) the Salaries and allowances being payable from Parochial funds.

At 1. Annotts Bay - 2 Morant Bay, Port Morant and Manchioneal and 3 Port Maria, Oracabey and Rio Nova Bays the fees are receivable by the Water Bailiffs to their own use but in the second instance to be taken as part of a salary amounting to £120 in full payable by Commissioners. In the two other instances the officers are further entitled to receive from the Parochial funds as under -

At Annotts Bay Salary	£50 "
At Port Maria, Oracabey, and Rio Nova	
Water Bailiffs' Salary	30 " "
Two Deputies for Salary each	15 " "
The Water Bailiff of Montego Bay is entitled to receive	

From the parochial funds such Salaries as the Magistrates and Vestry of Saint James should determine not exceeding thirty six pounds.

By the acts regulating the several Harbours of Kingston, Montego Bay, Marcha Bae (or Falmouth) and Black River the Water Bailiffs of those Harbours are expressly made dismissible at the Governor's pleasure.

ABSTRACT
OF THE
NET REVENUE AND EXPENDITURE
OF
FOR THE YEAR

1852

Insert under general heads the Receipts and Disbursements, so as to exhibit distinctly and separately the Sources from which the Receipts have been derived: on the one hand, whether from the Resources of the Colony, from Parliamentary Grants, or from Her Majesty's Treasury; and, on the other, the Total Expense incurred by each Department of the Government; distinguishing the Ordinary Established Charge of the several Offices from their Contingent and Accidental Expenses.

Such Observations as may be sufficient to explain the causes, and point to the remedy of any deficiency in the Revenue, or excess of the Expenditure, must form the subject of a Special Report to accompany the Blue Book when transmitted to the Secretary of State.
